Documents you may receive

If you decide to obtain personal financial advice, your Adviser will need to determine your needs, objectives and relevant financial circumstances.

At the initial advice appointment, your Adviser will typically gather the relevant information by using a client data collection form. You will be asked to provide accurate information about your personal and financial situation and keep your Adviser informed of any changes to your relevant circumstances. Your Adviser will also need to verify your identity.

When your Adviser provides personal financial advice to you, you may receive one or more of the following documents:

- Statement of Advice (SoA)
- Record of Advice (RoA)
- Product Disclosure Statement (PDS)
- Fee Disclosure Statement (FDS)

Statement of Advice (SoA)

The SoA will set out the advice that has been tailored to your specific circumstances and provide you with details of all relevant disclosures, including details of any remuneration payable.

Record of Advice (RoA)

Where you receive ongoing or further advice, a RoA may be provided. You may request a record of the further advice that is provided to you, if you haven't already been provided with it. You can also contact us, using the details at the start of this FSG, within 7 years from when the advice is provided to request this record.

Product Disclosure Statement (PDS)

A PDS will be provided if a product recommendation is made and includes detailed information on the financial product including features, benefits, conditions, costs and cooling off rights (if applicable).

Fee Disclosure Statement (FDS)

A FDS will be issued to you in instances where you enter into an Ongoing Fee Arrangement with your Adviser for a period greater than 12 months. The FDS provides information about the fees that you will be charged in the upcoming 12-month period, services which you are entitled to receive in that period, as well as similar information about the previous 12 months. The FDS will be provided to you annually.

Special Instructions

If you have any special instructions that you would like to provide us, you can do so by phone or in writing.

Crown may engage third party service providers to assist in the provision of products or services.

Some services may require disclosure of personal information to service providers outside Australia. The purpose of such disclosure is to facilitate the provision of financial services including the preparation of financial advice documents for Crown Advisers.

All reasonable steps will be taken to ensure that offshore service providers comply with the Privacy Act 1988.

Please discuss your concern (if any) with your Adviser at your first meeting.

Adviser Remuneration

Your Adviser may be remunerated through either:

- Flat dollar fee; or
- Hourly rate fee; or

- Percentage fee; or
- Commission on insurance payments from product providers where applicable; or
- A combination of any of the above.

Refer to FSG Part 2, the Adviser profile, for further information on remuneration. Your fees will be detailed in the SOA provided to you.

Your consent regarding fees and benefits to be paid to your Adviser will be obtained prior to the financial service being provided.

Licensee remuneration

Crown receives a flat fee or percentage of the revenue of the Adviser's remuneration for the provision of services required under its Australian Financial Services Licence.

As a Crown Adviser we have access to Adviser services including compliance tools, procedures, manuals and training, legal, technical, operational assistance, product comparison and placement support and group purchasing arrangements.

Referrals and Conflicts

Your adviser may refer you to other parties where you are interested in receiving their services, or where your adviser considers that their advice or other services may be useful to you (third party providers). Crown may receive a referral fee where you decide to receive services from third party providers. Details of referral fees will be disclosed in the SOA.

Other forms of remuneration or benefits

Crown and/or its Advisers may receive non-monetary benefits where:

- The amount is less than \$300 and identical or similar benefits are not given on a frequent basis;
- The benefit has a genuine education or training purpose (including attendance of conferences) and is relevant to providing financial product advice; and/or
- The benefit consists of the provision of information technology software or support and is related to the provision of financial product advice in relation to the financial products issued or sold by the benefit provider.

Payments or benefits received are disclosed in your Adviser's register. A copy of the register is available upon request.

Professional Indemnity

We have arrangements in place to maintain adequate professional indemnity insurance as required by s912B of the Act.

Professional indemnity insurance indemnifies the licensee and its advisers (both past and present) in the event that a client suffers a loss that is directly attributable to a breach of legislative obligations on the licensee's or adviser's behalf.
